Weekly Activities and Status Report for DD/ICS--15 February 1984

CIPC Organizational Activities

- WSSIC will hold its annual meeting [] on 5-6 March. [] has invited [] to attend for part of the session (A.M., 6 March). [] plans to go.

- [] CIA CT, joined the CIPC staff for an interim lasting until 11 May.

Narcotics

- On 9 February, [] visited Justice to discuss problems raised by the Justice representative at the 3 February NFIC meeting with respect to the CIPC Narcotics Study. During the meeting, which was attended by Mary Lawton, Rick Cinguegrana, and representatives from DEA and the FBI, all problems were resolved to mutual satisfaction. A memorandum forwarding the revised text to the A/DCI has been prepared.

Terrorism Review: []

- A working group meeting was held on 10 February. Agreement was reached among all participants on the study outline. Writing assignments were made. The due date for all assignments to be given to the working group chairman is 22 February. Arrangements were also made for member contributions to the Counterterrorism Community Reference Manual which the CIPC staff will produce.

- [] will attend an Executive Team Building Seminar on 21-23 February at [] sponsored by the NIO for Warning.

CIPC Evaluation Concept: []

- The initial draft of this concept paper has been intensively critiqued by CIPC management and staff, and extensively revised through several iterations. Great attention is being given to designing an approach that is bureaucratically palatable, logically sound, and capable of producing reasonable recommendations in a form suitable for budget deliberations and decisions. A revised concept paper will be completed within a few days, whereupon broader comment and counsel will be sought.

CBW Working Group: []

- On 6 February, [] met with [] DIA/DJ-5A, to discuss DIA's role in CBW analysis and production. This meeting led to a discussion with [] Executive Secretary of the DIA Advisory Committee. The Advisory Committee, roughly comparable to STAP, has recently completed a year-long review of DoD CBW collection, analytic, and production capabilities (from a management, not a substantive focus). The Advisory Committee has completed its report, which has not yet been seen by [] Because of this, we were not able to obtain a copy of it; however, on 10 February, [] briefed [] on the study and provided a copy for their review.

- The CIPC discussed the TOR for the CBW Working Group at their 13 February meeting; minor changes suggested by State are being incorporated into the TOR,

which are being forwarded to the Principals. The Principals are being asked to provide the names of their representatives for the 29 February working group meeting.

- [] met with Colonel Jim Leonard, State/PM (actually, a last-minute stand-in for him) on 9 February and with LTC Roland Fletcher, Army ACSI (DAMI-FIT). The latter visit was to determine the status and activities of an Army Steering Group on CBW matters.

Narcotics Panel Report: []

- Comments on what is hoped to be the final draft of the Panel on the Use of Classified Information were due on 8 February. Still not received are comments from Customs, O/VP, and []. Inquiries are being made to the first two; [] plans a response, but has not yet been able to begin it. Comments to date range from minimal to extensive; incorporating the wide range of thoughts/interests/etc. will be very difficult. We are giving careful consideration as to how we can best bring this effort to a successful and quick conclusion.

WSSIC's Mobile Missile Working Group: []

- [] attended several meetings of the Mobile Missile Working Group, which 25X1 continues to meet under WSSIC auspices. On 14 February, they completed initial deliberations on their draft report. They have made several recommendations, but these are not yet in actionable form.
- [] helped edit the final draft of the Cruise Missile Report. Copies will be available at [] on 17 February.
- [] assisted with the preparation of the BMD report draft. Copies will be available when the working group meets next week.
- There were no Arms Control requests or deadlines [] was on vacation 6-10 February).
